COMPETITION TRIBUNAL APPROVAL, RECOVERY OF DIVIDENDS TAX ON THE REPURCHASE OPTION AND FINALISATION ANNOUNCEMENT

1. Introduction
Mediclinic shareholders are referred to the announcements released on the Stock Exchange News Service ("SENS") on 14 October 2015, 17 November 2015, 15 December 2015 and 19 January 2016 regarding the proposed combination of the businesses of Mediclinic and Al Noor Hospitals Group plc ("Al Noor") (the "Combination").

The terms and definitions used in this announcement are as set out in the Scheme Circular circulated to Mediclinic shareholders on 17 November 2015.

2. Fulfillment of conditions precedent
Mediclinic shareholders are advised that the South African Competition Tribunal has given its unconditional approval for the Combination. The Takeover Regulation Panel has subsequently issued a compliance certificate in terms of sections 119(4)(b) and 121(b) of the Companies Act in respect of the Scheme, and accordingly all outstanding conditions precedent to the Scheme have now been fulfilled, waived (where applicable) and/or are deemed to have been fulfilled in accordance with the terms of the Scheme, and the Scheme has accordingly become unconditional in accordance with its terms.

The Operative Date of the Scheme is expected to be Monday, 15 February 2016 and on that day, the LSE Listing will become effective in accordance with, respectively, the UK Listing Rules and the LSE's Admission and Disclosure Standards.

3. Dividend tax on the Repurchase Option
In the event of a Dematerialised Scheme Participant other than a Qualifying SA Corporate electing the Repurchase Option, and dividends tax as contemplated in section 64H of the Income Tax Act is payable in respect of the repurchase of such Scheme Participant's Scheme Shares, then and in that event, and as part of the Scheme, the relevant Dematerialised Scheme Participant's CSDP or Broker will deduct such amount equal to the dividends tax from the Scheme Participant's account in accordance with the terms of the agreement between the Scheme Participant and the CSDP or Broker. Accordingly the Scheme Participant's account will be credited with their full entitlement of New Al Noor Shares (i.e. a portion of Scheme Participant's New Al Noor Shares will not be withheld and sold by the Company to settle the dividends tax).

In the event of a Certificated Scheme Participant other than a Qualifying SA Corporate electing the Repurchase Option, and dividends tax as contemplated in section 64G of the Income Tax Act is payable in respect of the repurchase of such Scheme Participant's Scheme Shares, then and in that event, and as part of the Scheme, the Company will sell or procure the sale of such amount of the Certificated Scheme Participants' New Al Noor Shares as shall be required to settle the dividends tax and to cover the Company's reasonable costs associated therewith, and after paying such dividends tax, the balance of such New Al Noor Shares, and any cash balance remaining, will be credited or posted to the Certificated Scheme Participant in accordance with the terms of the Scheme Circular.

Additional US information
These materials do not constitute or form a part of any offer or solicitation to purchase or subscribe for securities in the United States. The New Al Noor Shares that may be received in the Combination have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "Securities Act"), or with any securities regulatory authority of any state or other jurisdiction in the United States, and may only be offered or sold in reliance on the exemption from the registration requirements of the Securities Act provided by Rule 802.

The business combination referred to in this announcement is to be made for the securities of Mediclinic, a South African company, by means of the Combination. Information distributed in connection with the Combination is subject to disclosure requirements of the United Kingdom and South Africa that are different from those of the United States. Financial information disclosed in connection with the Combination that has been prepared in accordance with IFRS may not be comparable to the financial statements and financial information of United States companies.

It may be difficult for you to enforce your rights and any claim you may have arising under US federal securities laws, since Al Noor is located in the United Kingdom, and some of its officers and directors are residents of countries outside the United States. You may not be able to sue a UK company or its officers or directors in an English court for violations of US securities laws. It may be difficult to compel a UK company and its affiliates to subject themselves to a US court's judgement.

You should be aware that Al Noor may purchase securities otherwise than under the Combination, such as in open market or privately negotiated purchases.

The New Al Noor Shares have not been and will not be listed on a US securities exchange or quoted on any interdealer quotation system in the United States. Al Noor does not intend to take any action to facilitate a market in the New Al Noor Shares in the United States. Consequently, it is unlikely that an active trading market in the United States will develop for the New Al Noor Shares.

The New Al Noor Shares have not been approved or disapproved by the United States Securities and Exchange Commission, any state securities commission in the United States or any other regulatory authority in the United States, nor have any of the foregoing authorities passed comment upon, or endorsed the merit of, the Scheme or the accuracy or the adequacy of this announcement or the Scheme Circular. Any representation to the contrary is a criminal offence in the United States.

Mediclinic shareholders who are affiliates of Al Noor after the Combination will be subject to timing, manner of sale and volume restrictions on the sale of New Al Noor Shares received pursuant to the Combination under Rule 144 under the Securities Act. For the purposes of the Securities Act, an "affiliate" of a company is any person that directly or indirectly controls, or is controlled by, or is under common control with, the company. Holders of Mediclinic Shares that constitute "restricted securities" for purposes of Rule 144 under the Securities Act will receive New Al Noor Shares that also constitute restricted securities and will not be permitted to offer or resell in the United States the New Al Noor Shares they receive without registering that offer or sale under the Securities Act or conducting that offer or resale in reliance on an exemption from registration. The Securities Act would not generally restrict sale of New Al Noor Shares on the London Stock Exchange, provided that the sale had not been pre-arranged with a buyer in the United States. Shareholders who believe they may be affiliates for the purposes of the Securities Act should consult their own legal advisers.
