RESULTS OF THE SCHEME MEETING

Mediclinic shareholders are referred to the announcements released on the Stock Exchange News Service ("SENS") on 14 October 2015 and 17 November 2015 (the "Announcements") regarding the proposed combination of the businesses of Mediclinic and Al Noor Hospitals Group plc ("Al Noor") (the "Combination"). To effect the Combination, Al Noor will acquire all of the shares in Mediclinic pursuant to a scheme of arrangement of Mediclinic under section 114 of the South African Companies Act No. 71 of 2008 (the "Companies Act") (the "Scheme").

Mediclinic shareholders are advised that, at the Scheme Meeting held today, Tuesday, 15 December 2015, all the necessary resolutions were passed by the requisite majority of shareholders.

Danie Meintjes, CEO commenting on the vote said,

"We would like to thank our shareholders for their strong support of our growth strategy. Completion is expected on 8 February 2016 following which the enlarged group will be known as Mediclinic International plc and listed on the London Stock Exchange, with a secondary listing on the JSE.

Mediclinic and Al Noor recognise the strong strategic merit in becoming one group. A group that provides an excellent strategic fit with our mutual operations in the UAE, and creates a leading international private healthcare operator with a well-balanced geographic profile in Southern Africa, Switzerland and the UAE, with exposure to the UK market through a minority interest in Spire."

Financial information disclosed in connection with the Combination that has been prepared in accordance with IFRS may not be comparable to the financial statements and financial information of United States companies.

It may be difficult for you to enforce your rights and any claim you may have arising under US federal securities laws, since Al Noor is located in the United Kingdom, and some of its officers and directors are residents of countries outside the United States. You may not be able to sue a UK company or its officers or directors in an English court for violations of US securities laws. Holders of Mediclinic Shares that constitute "restricted securities" for purposes of Rule 144 under the Securities Act will receive New Al Noor Shares that also constitute restricted securities and will not be permitted to offer or resell in the United States the New Al Noor Shares they receive without registering that offer or sale under the Securities Act or conducting that offer or resale in reliance on an exemption from registration. The Securities Act would not generally restrict sale of New Al Noor Shares on the London Stock Exchange, provided that the sale had not been pre-arranged with a buyer in the United States. Shareholders who believe they may be affiliates for the purposes of the Securities Act should consult their own legal advisers.
