FOR IMMEDIATE RELEASE

30 August 2022

RECOMMENDED CASH ACQUISITION

of

Mediclinic International plc

by

Manta Bidco Limited

(a newly formed company owned by joint offerors: (i) Remgro Limited (“Remgro”) (through the Relevant Remgro Subsidiaries); and (ii) SAS Shipping Agencies Services S.à r.l. (“SAS”), a wholly owned subsidiary of MSC Mediterranean Shipping Company SA)

PUBLICATION OF SCHEME DOCUMENT

On 4 August 2022, the boards of directors of Mediclinic International plc (“**Mediclinic**” or the “**Company**”) (excluding the Remgro representative), Manta Bidco Limited (“**Bidco**”), Remgro and SAS announced that they had reached agreement on the terms of a recommended cash offer by Bidco for the entire issued and to be issued share capital of Mediclinic (the “**Acquisition**”), other than the Mediclinic Shares already owned by the Relevant Remgro Subsidiaries, to be implemented by way of a court sanctioned scheme of arrangement under Part 26 of the Companies Act (the “**Scheme**”).

Publication of the Scheme Document

Mediclinic announces that a circular in relation to the Scheme (the “Scheme Document”) setting out, among other things, a letter from the Chair of Mediclinic, an explanatory statement pursuant to section 897 of the Companies Act, the full terms and conditions of the Scheme, an expected timetable of principal events, notices of the Court Meeting and the General Meeting and details of the actions to be taken by Mediclinic Shareholders, has been published today on Mediclinic’s website at <https://investor.mediclinic.com/regulatory-news/offer-mediclinic-international-plc>.

Hard copies of the Scheme Document (or, depending on Mediclinic Shareholders’ communication preferences, a letter or email giving details of the website where the Scheme Document may be accessed) and Forms of Proxy for the Court Meeting and the General Meeting are being sent to Mediclinic Shareholders where applicable. Certificated SA Shareholders will also receive a Form of Surrender and Transfer.

Capitalised terms used in this announcement (the “**Announcement**”) shall, unless otherwise defined, have the same meanings as set out in the Scheme Document. All references to times in this Announcement are to London, United Kingdom times unless stated otherwise.

Action required

As further detailed in the Scheme Document, in order to become Effective, the Scheme will require, among other things, that the requisite majority of: (i) Scheme Shareholders vote in favour of the Scheme at the Court Meeting; and (ii) Mediclinic Shareholders vote in favour of the Special Resolution at the General Meeting.

Notices convening the Court Meeting and the General Meeting to be held at The Auditorium, UBS Investment Bank, 5 Broadgate, London, EC2M 2QS on Monday 26 September 2022 at 12:00 p.m. (London time) / 1:00 p.m. (SAST) and 12:15 p.m. (London time) / 1:15 p.m. (SAST) (or as soon thereafter as the Court Meeting concludes or is adjourned), respectively, are set out in the Scheme Document.

Any changes to the arrangements for the Court Meeting and the General Meeting will be communicated to Scheme Shareholders and Mediclinic Shareholders before the Meetings, through Mediclinic’s website <https://investor.mediclinic.com/regulatory-news/offer-mediclinic-international-plc> and by announcement through a Regulatory Information Service and corresponding announcement on SENS.

Scheme Shareholders and Mediclinic Shareholders are asked to submit proxy appointments and instructions for the Court Meeting and the General Meeting as soon as possible and in any event so that the proxy appointment and instructions are received by the UK Registrar or South African Registrar no later than 48 hours prior to the Court Meeting or the General Meeting as applicable (excluding any part of such 48 hour period falling on a day that is not a UK Business Day or, in the case of any adjournment, not later than 48 hours (excluding any part of such 48 hour period that is not a UK Business Day) before the time fixed for the adjourned Meeting).

It is important that, for the Court Meeting in particular, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of opinion of Scheme Shareholders.

Timetable

The Scheme Document contains an expected timetable of principal events in relation to the Scheme, which is also set out in the Appendix to this Announcement. The Scheme remains conditional on the approval of the requisite majority of Scheme Shareholders at the Court Meeting and the requisite majority of Mediclinic Shareholders at the General Meeting. The Scheme is also subject to the satisfaction (or, where applicable, waiver) of the other Conditions (including the sanction of the Court, satisfaction of merger control conditions in South Africa, Namibia, Switzerland and Cyprus and the approval of FinSurv in South Africa) and further terms, as described more fully in the Scheme Document.

The Scheme is expected to become effective during the first quarter of 2023. Mediclinic will make further announcements through a Regulatory Information Service, and corresponding announcements on SENS, with such announcements also being made available on Mediclinic’s website at <https://investor.mediclinic.com/regulatory-news/offer-mediclinic-international-plc>. An

update to the expected timetable is expected to be announced following receipt of the relevant regulatory approvals upon which the Acquisition is conditional.

Recommendation

The Independent Mediclinic Directors, who have been so advised by Morgan Stanley & Co International plc ("**Morgan Stanley**") and UBS AG London Branch ("**UBS**") as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the Independent Mediclinic Directors, Morgan Stanley and UBS have taken into account the commercial assessments of the Independent Mediclinic Directors. Morgan Stanley and UBS are providing independent financial advice to the Independent Mediclinic Directors for the purposes of Rule 3 of the Takeover Code.

The Independent Mediclinic Directors consider that the terms of the Acquisition are in the best interests of Mediclinic Shareholders as a whole. Accordingly, the Independent Mediclinic Directors unanimously recommend that Mediclinic Shareholders vote in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting, as the Independent Mediclinic Directors who hold Mediclinic Shares have irrevocably undertaken to do in respect of their own beneficial holdings.

Mediclinic Shareholders should carefully read the Scheme Document in its entirety before making a decision with respect to the Scheme.

Prior to the Scheme becoming Effective, it is intended that an application will be made for the cancellation of admission to trading of the Mediclinic Shares on the London Stock Exchange's Main Market for listed securities and for the cancellation of the listing of Mediclinic Shares on the premium listing segment of the Official List of the London Stock Exchange, in each case to take effect following the Effective Date. The last day of dealings in Mediclinic Shares on the London Stock Exchange's Main Market for listed securities is expected to be the UK Business Day immediately prior to the Effective Date and no transfers shall be registered after 6:00 p.m. on that date.

It is further intended that upon the Scheme becoming Effective, subject to the approval of the Executive Committee of the JSE, the JSE will initiate the termination of the secondary listing of Mediclinic Shares on the Main Board of the JSE, in terms of paragraphs 1.12 and 1.13 of the JSE Listings Requirements, to take effect following the Effective Date, on the basis that Mediclinic will no longer comply with the public spread provisions pursuant to paragraph 4.28(e) of the JSE Listings Requirements. The delisting of Mediclinic Shares on the NSX will occur simultaneously with the termination of the listing and trading of such shares from the JSE. The last day of dealings in Mediclinic Shares on the Main Board of the JSE and the NSX is expected to be the SA Business Day immediately prior to the Effective Date, and the trading of Mediclinic Shares will be suspended on the JSE and the NSX from commencement of trade on the Effective Date.

It is also proposed that, following the Effective Date, Mediclinic shall be re-registered as a private limited company.

Additional information for US investors

The Acquisition relates to shares in a UK company and is proposed to be effected by means of a scheme of arrangement under English law. US Mediclinic Shareholders should note that the Scheme relates to the shares of a UK company and will be governed by English law. Neither the proxy solicitation rules nor the tender offer rules under the US Exchange Act will apply to the Acquisition or the Scheme. Moreover, the Acquisition and the Scheme are subject to the disclosure requirements and practices applicable in England to schemes of arrangement, which differ from the disclosure requirements of the proxy solicitation rules and tender offer rules under the US Exchange Act.

The financial information included in this Announcement has been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US.

However, if, in the future, Bidco were to elect (with the consent of the Panel and subject to and in accordance with the terms of the Co-operation Agreement) to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into the US, such Takeover Offer would be made in compliance with all applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the US by Bidco and no one else.

Neither the SEC nor any securities commission of any state of the US nor any other US regulatory authority has approved the Acquisition, passed upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the US.

In accordance with the Takeover Code and normal UK practice, and pursuant to Rule 14e-5(b) of the US Exchange Act (if applicable), (a) Bidco or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Mediclinic outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn; and (b) Morgan Stanley, UBS and Standard Bank and their affiliates will continue to act as exempt principal traders in Mediclinic securities under the Takeover Code. If purchases or arrangements to purchase were to be made as contemplated by clause (a) of this paragraph, they would occur either in the open market at prevailing prices or in private transactions at negotiated prices, and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase would be disclosed as required in the UK, would be reported to a Regulatory Information Service and would be made available on the London Stock Exchange website at www.londonstockexchange.com. Purchases contemplated by clause (b) of this paragraph that are required to be made public in the United Kingdom pursuant to the Takeover Code would be reported to a Regulatory Information Service and would be made available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of the cash Consideration by a US Mediclinic Shareholder for the transfer of its Mediclinic Shares pursuant to the Acquisition will likely be a taxable transaction for US federal income tax purposes and may also be a taxable transaction under applicable state and local tax laws in the US, as well as foreign and other tax laws. Each US Mediclinic Shareholder is urged to consult their independent professional tax adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable US state and local, as well as overseas and other, tax laws.

It may be difficult for US Mediclinic Shareholders to enforce their rights and any claim arising out of US federal securities laws, since Mediclinic and Bidco are each located in a non-US jurisdiction,

and some or all of its officers and directors may be residents of non-US jurisdictions. US Mediclinic Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Forward Looking Statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Mediclinic, any member of the Mediclinic Group, Bidco, the Wider Bidco Group or any member of the Consortium contain statements which are, or may be deemed to be, "forward-looking statements". Such forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Mediclinic, any member of the Mediclinic Group, Bidco, the Wider Bidco Group or any member of the Consortium shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this Announcement may relate to Mediclinic, any member of the Mediclinic Group, Bidco, or any member of the Wider Bidco Group or the Enlarged Group's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and all other statements in this Announcement other than statements of historical facts. In some cases, these forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "will", "shall" or "should" or, in each case, their negative or other variations or other similar or comparable words and expressions. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco, the Wider Bidco Group or Mediclinic's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco, the Wider Bidco Group or Mediclinic's business.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include, but are not limited to, uncertainties involved in the integration of acquisitions or new developments, changes in legislation or the regulatory regime governing healthcare in Switzerland, South Africa, Namibia and the United Arab Emirates, poor performance by healthcare practitioners who practise in the Mediclinic Group's facilities, unexpected regulatory actions or suspensions, competition in general, the Mediclinic Group's ability to obtain or maintain accreditation or approval for its facilities or service lines, changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates, future business combinations or disposals, the impact of tax and other legislation or regulations in the jurisdictions in which the Mediclinic Group operates, and any epidemic, pandemic or disease outbreak. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

None of Mediclinic, any member of the Wider Mediclinic Group, Bidco, any member of the Bidco Group, or any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward-looking statements.

Specifically, statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature involve, risks, uncertainties and contingencies. As a result, any cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this Announcement. All subsequent oral or written forward-looking statements attributable to Mediclinic, Bidco or any member of the Wider Bidco Group or the Mediclinic Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Mediclinic, the Mediclinic Group, Bidco and the Wider Bidco Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No statement in this Announcement is intended as a profit forecast, profit estimate or quantified financial benefits statement for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for Mediclinic or Bidco, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Mediclinic or Bidco, as appropriate.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th UK Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th UK Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the UK Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified.
